**2nd Owner**

**This is the second item's accordion body.** It is hidden by default, until the collapse plugin adds the appropriate classes that we use to style each element. These classes control the overall appearance, as well as the showing and hiding via CSS transitions. You can modify any of this with custom CSS or overriding our default variables. It's also worth noting that just about any HTML can go within the `.accordion-body`, though the transition does limit overflow.

### 3rd Owner

**This is the third item's accordion body.** It is hidden by default, until the collapse plugin adds the appropriate classes that we use to style each element. These classes control the overall appearance, as well as the showing and hiding via CSS transitions. You can modify any of this with custom CSS or overriding our default variables. It's also worth noting that just about any HTML can go within the `.accordion-body`, though the transition does limit overflow.

Brands are labels used to describe the status of a motor vehicle such as "junk" , "salvage" , or "flood". Statuses from states are mapped to brands for consistency within the system.

General Motors LLC (GM) is recalling certain model year 2013 Chevrolet Equinox and GMC Terrain vehicles. In the affected vehicles, the ball joints in the windshield wiper module may corrode and wear over time, possibly resulting

in one or both of the windshield wipers becoming inoperative.

General Motors LLC (GM) is recalling certain model year 2013 Chevrolet Equinox and GMC Terrain vehicles. In the affected vehicles, the ball joints in the windshield wiper module may corrode and wear over time, possibly resulting in one or both of the windshield wipers becoming inoperative.

GM will notify owners, dealers will repair the AIP-hole, inspect and, if necessary, replace the front wiper module, free of charge. The recall began on April 13, 2017. Owners may contact Chevrolet customer service at 1-800-222-1020 or GMC customer service at 1-800-462-8782. GM's number for this recall is 25302.

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).
